Donna,

It is my sincere pleasure to announce that you have been chosen as a 2018 Chapter Major Achievement Award winner. Your years of hard work to contribute to the success of Chapter 430, your commitment to the local aviation community, and your personal achievements are recognized. You are truly deserving of this award. As a recipient of this award, you have exhibited the dedication to EAA, to your chapter, to your community, and to the aviation community as a whole.

You and other worthy award recipients will be honored at the 2018 EAA AirVenture Oshkosh Chapter Leaders Breakfast on Saturday, July 28 beginning at 8:00 a.m. in the Founders Wing at the EAA Aviation Museum. I encourage you to attend this event, as we will reserve a table at the front of the room for you and a guest of your choosing.

If you are unable to attend, please let me know who can be available to accept this award in your name. You will receive an EAA award plaque to take home and be a keepsake for your effort, dedication and personal accomplishments.

On behalf of the entire Chapters' team here at EAA in Oshkosh, I congratulate you. Please feel free to contact me by phone or email with any questions.

Thank you,
